## Work History

### Post Graduate(MS) in Orthopaedics

*KIMS Hospital and Research centre, VV puram , Bengaluru, Karnataka*

>As a post graduate , i had an immense insight into the patient needs and requirements, right from pre operative work up of the patient to post operative rehabilitation of the patient.

>Regular bedside and classroom interaction with my professors both in and outside the operating room gave me a hands on experience about the various challenges faced during the course of surgery and the need to keep a calm head during these times.

>Covid-19 played an important role in teaching me to handle orthopedic cases during the crisis , both out patient and operative cases

>Trying newer operative techniques, doing pilot studies has been a major part of my curriculum

>I had the opportunity to do 2 international publications during this period and wish to do many more such studies regarding newer advancements and techniques.

>I have had the opportunity to present case series as posters in the IMSOS(Indian musculoskeletal oncology society) held at Bengaluru in march 2020 and CGOACON(Chattisgarh Orhtopaedic Association conference) held at Raipur in January 2020.

>Presented publication at CGOACON Raipur in January 2020

>Have had the golden opportunity to work closely with the president of
